

The Melbourne Whittleby Cruiser Club

Budds Beach

The trip to Budds Beach showcased the Broadwater of the Gold Coast. Cruising to Paradise Point via Sovereign Islands, boat crews caught a glimpse of some homes of the rich and famous. They continued south past Wave Break Island and the Seaway, while seeing the happenings around Sea World, Marina Mirage and the Palazzo Versace Resort. Before entering the Nerang River, they passed the Southport Yacht Club on the port side, then under the Sundale Bridge before motoring by the glamorous homes of Paradise Waters. The idyllic lunch spot was the sandy bay of Budds Beach, with catering by Bumbles Cafe. After the short stop, the fleet began a leisurely cruise south towards the Broadbeach Waters, before a leisurely cruise back to Couran Cove.
