

MWCC Christmas Dinner 2015

Paesano International Buffet, Wheelers Hill.

With no room at the Inn...or should we say moorings at the marina, we all ended up driving to a new venue for our Christmas Party. The carpark looked more like a 4WD club, but it was a fabulous night for all our MWCC members.

The Paesano International Buffet was a brilliant success as a party venue, and we thank all those that were able to make the drive to join in! The food was fabulous with so many options to taste test, such as oysters, prawns, soups and other entrees, Teppanyaki steak and pizzas cooked to your order, pastas, roasts, stir fries, curries and salads. Then there was an entire range of sweets and the very popular chocolate fountain! It is safe to say we catered for all diets and all hungers.....!!

We thank Tony Marshall who organised this event, with a fabulous intro Bingo game so all had the opportunity to meet everyone within the group. If only we had the advertised 11pm closing time, we could have enjoyed all the other activities and prizes Tony had organised.

We welcomed many new faces, each adding to the rich tapestry of personalities within the club!! We hope everyone met someone new, and felt welcome!!

Merry Christmas to everyone, from the MWCC.
