One thing we always say as your club committee is that it is not just about boating, we consider boating a lifestyle. And boy are we missing this lifestyle, while being isolated during corona.

We definitely miss the social aspect of it. So Gary Honeychurch, our commodore, decided to organise a virtual cruise on Lake Covid.

Melbourne Whittley Cruiser Club

15 boats registered for this cruise and on Sunday 3 May we sat on our boats; be it in the shed, on our driveway, in our backyard, while having happy hour in the company of our MWCC friends. It was a huge success, with lots of laughs.

Have to admit, it is not the same as being on the water, rafted up or sharing jetty space (we cannot wait to be able to do that again), but it was good to see so many of us on the screen! A next date has been scheduled and if we are still not able to enjoy a (proper overnight) cruise, we hope to see you all on Zoom then. (Cruise invite to follow, closer to the date).

Look forward to seeing you all again soon.
