

Lake Eildon but not as you know it

Since it took place on stunning waters off Lake Mulwala.

The trip was a group effort: the first and second day Jay Jay (Jay Davis) was our Cruise Leader and took us to \$10 delicious dinner in Club Mulwala on first night and to Buddhist Corner on the second night while our Resident Local Rusty aka Russ (Russell Breguet) lead us to Squires Winery on our third day and brought us his enchanting granddaughters to play with to our delight.

Trip was a fishing success in another perfect teamwork: Joan bought the worms, Morgan Coventry cast the line and Joan reeled in Mighty Murray Cod!

Big congrats on your prize

Thank you guys for another fabulous time we had a pleasure to share with you!

Pics are shared effort too between Artur Sekula, Joan Hepp and Ania Daria Sekula!

Enjoy!
