

# COPPER RIDGE HOA LANDSCAPE CHANGE REQUEST FORM

## RESTRICTIONS AND COVENANT

S2. (a) An Owner desiring to erect an improvement on any lot shall deliver two sets of construction plans, detailed landscaping plans, and plot pans to Declarant (herein collectively referred to as the "plans"). Such plans shall include a description type, quality, color and use of materials proposed...(b)...If Declarant determines that the external design and location of the Improvement does not conform with the... surrounding improvements and topography or will not protect and enhance the integrity and character of all the lots and neighboring lots, if any, as a quality residual community, Declarant may refuse approval of the proposed improvement.(c) Written notice of any approval of a proposed improvement shall be mailed to the owner at the address specified by the owner upon submission of the plan.
