2026 GRASSROOTS ACTION ALERT #1

Issued Thursday, February 5, 2026

Request that the Chair of the House Civil Justice & Claims Subcommittee add HB 663 (Civil Remedies Pertaining to Abortions) to the subcommittee's next meeting agenda!

Please contact Chair Traci Koster, House Speaker Daniel Perez, and their aides as soon as possible, given that subcommittees sometimes wrap-up their work much earlier in the annual Legislative Session than full committees do!
