2025 GRASSROOTS ACTION ALERT #4

Issued Wednesday, April 16, 2025

EMERGENCY: Tell the Senate President to pass the “Petition Reform Bill” ASAP!

On April 15th, the Senate leadership outrageously pulled **SB 7016 / HB 1205** from the next day’s Special Order Calendar, delaying final passage of this critical legislation, which is needed to reform the initiative petition process for proposed state constitutional amendments.

With the Legislative Session scheduled to end on May 2nd, the time for ACTION on the Senate floor is NOW! Accordingly, to get this legislation back on track, please contact Senate President Ben Albritton; his Chief of Staff, Andrew Mackintosh; and his Deputy Chief of Staff for Communications, Katie Betta!
