Executive Director Andrew Shirvell tonight issued the following statement on the death of pro-abortion United States Supreme Court Justice Ruth Bader Ginsburg:

“Justice Ginsburg died today at the age of 87. As a pro-abortion justice on the U.S. Supreme Court, Ginsburg is directly responsible for maintaining legalized abortion in our country, which has resulted in the deaths of over 60 million innocent unborn children. I pray that Justice Ginsburg repented before she passed, because she must now answer to the Supreme Judge of all the Universe.”

Shirvell continued, “President Trump has been given an important opportunity to immediately fill the vacancy on the U.S. Supreme Court with a pro-life justice who is unambiguously committed to overturning *Roe v. Wade* and *Doe v. Bolton*, the two 1973 U.S. Supreme Court decisions that together legalized abortion on demand throughout our country.”

Shirvell concluded, “Florida Voice for the Unborn calls upon President Trump to act swiftly so that the U.S. Senate can get to work on confirming a new pro-life justice. Unborn babies’ lives are at stake. It is time to seize the day!”
