Dear Friend of the Unborn:

I am going to be uncharacteristically brief because I've been swamped with media interviews since last night's bombshell leak of the draft majority opinion in *Dobbs v. Jackson Women's Health Organization*.

As you probably know by now, this draft opinion shows that the United States Supreme Court is poised to overturn *Roe v. Wade*, thereby returning to Florida and her sister states the rightful authority to once again completely prohibit abortion within their borders.

Therefore, this is our most important Grassroots Action Alert ever because there is a Special Legislative Session in Tallahassee scheduled for the week of May 23rd!

This morning, I wrote a letter (on behalf of Florida Voice for the Unborn) to Governor DeSantis and his key advisors, requesting that he amend his original April 26th Special Legislative Session proclamation, so that additional pro-life legislation can be considered! To read this letter along with Florida Voice for

the Unborn's press release, please [CLICK HERE](#).

Florida Voice for the Unborn now needs all of our statewide grassroots supporters to echo our letter's request via e-mails and phone calls!

Here is the ONLY talking point:

"I support Florida Voice for the Unborn's call to amend the Special Legislative Session proclamation to include consideration of legislation that will prohibit all abortions within Florida, except under very rare circumstances when there is no other way to save the mother's life."

Here are the key phone numbers:

Governor DeSantis' Executive Office: 850-488-5603

Chief of Staff James Uthmeier, Esq.: 850-717-9249

Chief Policy Advisor Chris Spencer: 850-717-9506

Based on whatever works best with your own e-mail account, please cut and paste the addresses above into your "to" header in a separate message. Don't forget to include a subject matter, such as "Amend the May Special Legislative Session!" and include the simple talking point above. Alternatively, you may click on each individual e-address above to send separate messages!

Please make the phone calls and send the e-mails as soon as possible. Let's continue to be respectful, but forceful. Tens of thousands of unborn children's lives hang in the balance. **We cannot – and will not – wait until 2023 for further legislative action!** NOW is the time! NOW is the day! Let us seize the opportunity that God has given us!

I will continue to keep the pressure on via media appearances and by encouraging like-minded advocacy organizations to support our efforts. Keep up-to-date on this evolving situation via our social media channels at @UnbornVoiceFL.

Florida Voice for the Unborn also needs our supporters to dig deep and continue to generously support our efforts at this crucial time with any size donation that you can afford. While some other organizations seem to always swoop-in for the victory lap, Florida Voice for the Unborn is actually doing the

hard labor in Tallahassee and beyond to secure that victory. In case you missed it, please see our March 15th Alleluia Update and 2022 (Regular) Legislative Session Wrap-Up, by [CLICKING HERE](#).
