Executive Director Andrew Shirvell today issued the following statement:

“Yesterday, June 24th, on the fourth anniversary of the United States Supreme Court’s historic reversal of its infamous *Roe v. Wade* decision, nearly fifty (50) grassroots pro-life advocates throughout Florida attended **Florida Voice for the Unborn’s Fourth Annual Dobbs Day Banquet and Workshop in Cape Canaveral** to mark this important occasion and to continue planning for the day when every unborn child in Florida is protected under the law – from the moment of conception.”

Shirvell continued, “As part of our uplifting *Dobbs* Day event, **Florida Voice for the Unborn** conducted a voluntary ‘Pro-Life Gubernatorial Straw Poll’ by secret ballot. Forty-two (42) adult attendees participated. Here are the results:

- **Former House Speaker Paul Renner** received twenty-six (26) votes.
- **Congressman Byron Donalds** received eleven (11) votes.
- **Lieutenant Governor Jay Collins** received four (4) votes.
- **Investor James Fishback** received one (1) vote.

In the upcoming weeks, **Florida Voice for the Unborn** will be launching our first-ever Political Action Committee (PAC) / Political Committee (PC). The day after the August 18th Gubernatorial Primary Election, **Florida Voice for the Unborn** looks forward to endorsing the pro-life gubernatorial candidate that Republican voters choose to take-on the expected Democrat gubernatorial nominee, pro-abortion extremist **David Jolly**.”
