October 22, 2026

For Immediate Release

Contact: Andrew Shirvell, Political Action Committee Chairman, at (850) 404-3414 or Andrew@FloridaVoiceForTheUnborn.com.

Chairman Andrew Shirvell today issued the following statement:

"On August 31, 2026, the newly-formed **Florida Voice for the Unborn Political Action Committee (PAC)** officially endorsed **Byron Donalds for Governor** of Florida in this year's General Election."

Shirvell continued, "This week, in my capacity as PAC Chairman, I presented a slate of further proposed candidate endorsements for ratification by **Florida Voice for the Unborn's** Board of Directors at its quarterly meeting. The board then unanimously voted to endorse the candidates listed below."

Shirvell further remarked, "Since **Florida Voice for the Unborn's** primary lobbying efforts take place at the state and local levels, our PAC chose to concentrate on the elected offices most relevant to our activities. Thus, during this election cycle, we will not be endorsing any candidates for federal office or those running in state judicial races. Likewise, we have decided not to officially endorse any of the statewide candidates seeking Florida Cabinet offices."

Shirvell concluded, "Congratulations to all of our endorsed candidates, who have earned **Florida Voice for the Unborn PAC's** stamp of approval due to their pro-life voting records and/or their commitment to protecting our unborn brothers and sisters. Additionally, the men and women listed below have demonstrated that their character and worldview are not at odds with building an

authentic Culture of Life here in Florida, where genuine pro-life advocates seek to protect all unborn children and women – of every race and ethnicity – from the violence of abortion."
