

Dr. Chen MetaBooster—Turn Back the Clock of Time!! YOUR REPAIR KIT!

- **FOUNTAIN OF YOUTH:** Dr. Chen may have found the “fountain of youth” with this formula. Before introducing this product, he ate 10 capsules a day for three years and turned back the clock for himself about 10 years! Both Drs. Chen look amazingly younger since adding **MetaBooster** and the **Refining and Lifting Crème** to their regimen.
- **A METABOLISM BOOSTER:** A sound metabolism is crucial to maintaining optimum health. This specially developed formula acts as a “booster” to the metabolism and a powerful antioxidant. This formula is for anyone who wants energy and a faster, more efficient metabolism.
- **DNA REPAIR:** **MetaBooster** helps maintain the structural integrity of the cell membrane. It also assists with transporting nutrients into and out of the cell. As we age, the cells divide, and the DNA becomes less healthy. In research, animals receiving the nutrients found in **MetaBooster** live longer and healthier – their DNA is being repaired. The cells become more normal with increased energy at the core of the cells. Better performance and longevity have been the result.
- **REGENERATES MITOCHONDRIA:** **MetaBooster** regenerates the mitochondria in cells.
- **ANTI-AGING:** **MetaBooster** may be one of our most exciting anti-aging foods for regeneration. Allow two weeks to begin to see and feel the difference.

Ingredients:

Niacinamide (B-3):

- Vasodilator, free radical scavenger, antihistamine;
- It helps normalize blood sugar levels, smoothes skin, helps form sex hormones, reduces auto-immune diseases, converts tryptophan into serotonin in the body, repairs and regulates DNA, and converts food into energy.

Zinc:

- It assists with metabolizing B vitamins, which are anti-inflammatory, immune system-building, and anti-histamine.

L-Arginine:

- An essential amino acid that increases nitrous oxide—relaxing blood vessels, another vasodilator; Helps to reduce blood pressure, #1 ingredient in sexual potency formulas -- Assists the body in producing growth hormone. Studied for the body's ability to increase muscle mass and immune function.

Carnitine:

- Antioxidant, anti-toxin
- It helps transport fatty acids across mitochondrial membranes and maintain cell structure. It also promotes more efficient energy production in the cell, repels radio rays, and regenerates nerves and the liver.

Magnesium Stearate:

- A necessary mineral.

Alpha Lipoic Acid:

- ALA is a significant antioxidant. It also recharges other antioxidants, such as glutathione and Vitamin C, by enabling the cells to utilize more oxygen.
- Exciting ingredients repair mitochondria damage (energy producers in cells and a major contributor to aging) and heal mutations. A recent study of rats concludes that carnitine and lipoic acid improve the quality of life during the later stages of life by preventing free radical-induced damage to proteins.

L-Lysine:

- The most abundant amino acid in the human body -- about 2 lbs. in the body at any given time.
- It assists in the repair of damaged cells and helps to inactivate viruses and bacteria.
- Found in beans and yeast, the third-highest amino acid in muscles, it is needed for the body to produce antibodies and enzymes.
- It improves the absorption of calcium and may increase bone-building cells.
- Studied for relieving pain, migraine headaches, and painful periods.

Recommendation: Take 1-2 capsules **at mealtimes** twice or thrice daily. Start Slowly, such as 2 capsules a day—fractions from food don't need much, but they need a longer time for results to appear. This Combination is excellent with **MetaShaper** and **Veros** or **Bella**.
