

## ***VitaSpray—A Revolutionary Vitamin And Mineral Spray... Revitalize with VitaSpray!***

- One “spritz” of **VitaSpray** delivers 200% of the recommended daily Vitamin B<sub>12</sub>, the essential B-complex vitamins, a *stable* Vitamin C, antioxidants, and necessary minerals. One **VitaSpray** bottle is equal to 80 injections of B<sub>12</sub>.
  - Is it a delicious breath freshener or a multi-vitamin spray? It’s both! One spray in your mouth, and you will have a pleasant, tasty surprise. It is very refreshing!
  - **VitaSpray** absorbs quickly and efficiently through the mucous membranes in the mouth, avoiding nutrient loss from acids in the digestive tract.
  - **VitaSpray** boosts energy, the immune system, and mental clarity
  - It is excellent for stress and environmental sensitivities.
  - Instant relief has been seen from headaches, nausea, and muscle pain.
  - **VitaSpray** also promotes oral health.
- 
- **VitaSpray** is a 100% all-natural formula with no artificial ingredients, colors, or flavors. It is also calorie—and sugar-free. Highly concentrated, **VitaSpray** is an effective, easy, and refreshing way to receive daily vitamin and mineral Requirements. Since there are no capsules to swallow, kids love **VitaSpray**, too!
  - Spray as desired under the tongue for 100% assimilation. You can use **VitaSpray** as many times during the day as you like without harmful build-up. It refreshes your mouth, giving our bodies a quick nutritional boost with almost instant assimilation.
  - This fantastic product comes in a tiny 0.42-ounce spray bottle, which is convenient to carry with you at all times. It will easily fit into your purse or pocket. Like **Sunbreeze**, you won’t want to leave home without it! It’s a lovely energy “pick-up” (and breath freshener!).
  - Take a spray after your meal to ensure the efficient processing of your carbohydrates. Without B vitamins, our bodies cannot extract the nutrients from our foods.
  - Especially important for vegetarians! B12 is essential for a healthy body and mind.
