

## Alpha 20C—Food for the Immune System (Defense)

- Sunrider’s proprietary food for the defense system is based on 3000 years of herbal study and cutting-edge technology.
- **Alpha 20C** is the Immune System food found in Quinary.
- These foods nourish the immune system through the bone marrow, liver and adrenals.
- **Alpha 20C** gets its name from what it supports: T Cells (the 20<sup>th</sup> letter of the alphabet being “T” and “C” standing for cells).

### In ancient China, a similar formula was used to

- Build a healthy immune system, whether it is overactive or underactive
- Strengthen the T-cells that are important in
  - 1) Fighting infections and
  - 2) Controlling the growth of dangerous and destructive, extraneous cells, such as in cysts and tumors
- Detoxify the body and help expel fever and illness
- Reduce vulnerability to viral and bacterial infections, as well as parasites and yeast overgrowth
- Govern the body’s resilience, adaptability and its ability to “fight” disease
- Promote a strong immune response to environmental attacks
