

CLEANSE: CALLI - Not an Ordinary Tea!...Daily Detox – Cell Cleansing Great-Tasting Gourmet Beverage!

Calli is a delicious whole-food beverage – exotic herbs concentrated in herbal nectar sprayed onto Camellia carrier leaves (green tea leaves). We want the wonderful benefits of green tea but without the caffeine and tannic acids in green tea.

Why a daily detox? Rather than an occasional stressful cleanse, **Calli** nourishes the 5 cleansing organs: liver, kidneys, colon, lungs, and skin, so that they do their work of cleansing the body more effectively and naturally every day.

Free of artificial sweeteners, sugar, fat, and added caffeine, it nourishes with whole food potent antioxidants. **CLEANSE & PROTECT WITH EVERY SIP**

ENJOY: Steep 5-10 min. in your coffeemaker. Never reuse the bags. Start 1 bag to 8-12 c. water. It comes in 10, 30 stick packs, or canisters, Original, Mint, and Cinnamon.
