

Dr. Chen MetaBooster—YOUR REPAIR KIT – ANTI-AGING! **Turn Back the Clock of Time!!**

Dr. Chen may have found the “fountain of youth” with this formula. Before introducing this product, he ate 10 capsules a day for three years and turned back the clock for himself about 10 years! Both Drs. Chen look amazingly younger since adding **MetaBooster** and the **Refining and Lifting Crème** to their regimen. A sound metabolism is crucial to maintaining optimum health. This specially developed formula acts not only as a “booster” to the metabolism but also as a powerful antioxidant. This formula is for anyone who wants energy and a faster, more efficient metabolism. **MetaBooster** helps to maintain the structural integrity of the membrane of the cell. It also assists with the transport of nutrients into and out of the cell. As we age, the cells divide and the DNA becomes less healthy. In research, animals receiving the nutrients found in **MetaBooster** are living longer and healthier – their DNA is actually being repaired. The cells have become more normal with increased energy at the core of the cells. Better performance and longevity have been the result. **MetaBooster** regenerates the mitochondria in cells.

MetaBooster may prove to be one of our most exciting anti-aging foods for regeneration – allow two weeks to begin to see and feel the difference.

Ingredients:

Niacinamide (B-3): Vasodilator, free radical scavenger, antihistamine;

Helps normalize blood sugar levels, smoothes skin, helps form sex hormones, reduces auto-immune diseases, converts triptophan into serotonin in the body, repairs and regulates DNA, converts food into energy.

Zinc: Assists with metabolizing of B vitamins — healer, anti-inflammatory, immune system building, anti-histamine.

L-Arginine: A basic amino acid that increases nitrous oxide—relaxing blood vessels, another vasodilator; Helps to reduce blood pressure, #1 ingredient in sexual potency formulas -- Assists the body in producing growth hormone. Studied for body’s ability to increase muscle mass and immune function.

Carnitine: Antioxidant, anti-toxin;

Helps with transportation of fatty acids across mitochondrial membranes and maintaining

cell structure; more efficient energy production in the cell, repels radio rays, nerve and liver regeneration.

Magnesium Stearate: A necessary mineral.

Alpha Lipoic Acid: ALA - Major antioxidant plus it recharges other antioxidants, for example, glutathione, and Vitamin C in that it enables the cells to utilize more oxygen. Exciting ingredient repairs mitochondria damage (energy producers in the cells and a major contributor to aging), heals mutations. Recent study of rats concludes that carnitine and lipoic acid will lead to an improvement in the quality of living during the later stages of life by preventing free radical induced damage to proteins.

L-Lysine: Most abundant amino acid in the human body -- about 2 lbs in the body at any given time. It assists in the repair of damaged cells and helps to inactivate viruses and bacteria. Found in beans and yeast - 3rd highest amino acid in muscles, needed for body to produce antibodies and enzymes. Improves absorption of calcium and may increase bone-building cells. Studied for relieving pain, migraine headaches, and painful periods.

Recommendation: Take 1-2 capsules *at mealtimes* two or three times a day. Start Slow, such as 2 capsules a day - fractions from food don't need a lot, but need a long time for results to appear. Excellent with **MetaShaper** and **Veros** or **Bella**. Call your **MetaBooster** your REPAIR KIT!!!
