### **FAQS:**

#### **Q. Do Smart Guy snacks contain gelatin?**

**A. No, these are gelatin-free gummies.** Instead of gelatin (which is derived from animals) our Smart Gummy snacks are made with a soft pectin base derived from fruit. the pectin is 100% plant based, none of the other ingredients contain animal derivatives.

#### **Q. Where does the coloring for Smart Gummy come from.**

**A.** We named our gummy treats "smart" for a reason. They're made with natural ingredients and don't contain anything artificial, including colors. The Smart Gummy color comes from real fruit and vegetable juice of the highest quality.
