Burns: helps prevent blistering & helps take heat and soreness out; mix with lotion if sore to touch. Mix 10-15 drops of oil with water in small spray bottle to spray or mist.

Air freshener: Absolutely wonderful! Mist for cigarette smoke or other odors. You'll love it.

In shampoo: Thinning hair, scalp problems, morning sluggishness, and headaches. Mix oil in shampoo or conditioner and wash as usual.

Delicate skin: mix with lotion - small babies, children, elderly; if baby is constipated, apply on the abdomen and bottom of the feet.

In Calli: Opens up sinuses, bowel cramping, sore throats or upset stomach; couple of drops of oil in cup of Calli and sip.

Avoid contact with eyes, won't harm eyes, but will burn and tear.

Sunbreeze is the number one, all-in-one, essential oil & balm formula on the market. Distilled from flowers, bark, roots, peels, seeds & herbs, uniquely based on herbal manuscripts of ancient Chinese emperors.

Sunbreeze essential oil molecules are small enough to quickly diffuse through the skin, penetrating deeply and efficiently into the tissues and circulatory system.

If you need cool applied, it will turn cool. If you need heat, it turns warm.

It takes 200 lbs. of herbs extracted to make a single pint of **Sunbreeze Oil!**

Ingredients:

Oil - Menthol, Cassia Oil, Mint Extract, Eucalyptus Oil, Camphor; **Balm** - Menthol, Camphor, Cassia Oil (cinnamon bark tree), wax - uniqueness also in preparation.

We love SunBreeze & always want it with us?
