

Sunbreeze—All-in-One First Aid Kit--Heavenly Smell!

Ancient Chinese Wisdom & Modern Technology

Instant Relief! Sunbreeze Oil!

FOLLOW ME: On temples, forehead and/or back of neck: headache, muscle tension, drowsiness, motion sickness, insomnia

On area: sinus congestion, strains/sprains, insect bites/stings/repellent, canker sores, toothache, snoring, muscle/back pain, around wounds, rheumatism, arthritis

On tongue: sinus congestion, morning sickness, motion sickness, upset stomach/bad breath/heartburn, drowsiness, sore throat

On Q-tip with drops applied to ear for infections, water logging, wax buildup, motion sickness, ear pain while flying

Burns: helps prevent blistering & helps take heat and soreness out; mix with lotion if sore to touch; mix 10-15 drops of oil with water in small spray bottle to spray or mist.

Air freshener: Absolutely wonderful! Mist for cigarette smoke or other odors. You'll love it.

In shampoo: Thinning hair, scalp problems, morning sluggishness, headaches; mix oil in shampoo or conditioner and wash as usual.

Delicate skin: mix with lotion - small babies, children, elderly; if baby is constipated, apply on the abdomen and bottom of the feet.

In Calli: Opens up sinuses, bowel cramping, sore throats or upset stomach; couple of drops of oil in cup of Calli and sip.

Avoid: Contact with eyes, won't harm eyes, uncomfortable burn and tear.

- **Sunbreeze:** the number one, all-in-one, essential oil & balm formula on the market. Distilled from flowers, bark, roots, peels, seeds & herbs, uniquely based on herbal manuscripts of ancient Chinese emperors.
- Essential Oil molecules small enough to *quickly "diffuse thru the skin penetrating deeply into the tissues and circulatory system... very efficient."*
- If you need cool applied, it will turn cool. If you need heat, turns warm.
- 200 lbs of herbs extracted to make a single pint of **Sunbreeze Oil!**

Ingredients: oil - Menthol, Cassia Oil, Mint Extract, Eucalyptus Oil, Camphor; **Balm** - Menthol, Camphor, Cassia Oil (cinnamon bark tree), wax - uniqueness also in preparation.

We love SunBreeze & always want it with us?
