

- **MetaShaper – “Truly Anti-Aging!” Whole food - could be used as a temporary NuPlus Workaround! Eye & Brain Health, Inflammation, Weight Loss, Cardiovascular and Longevity!**

- Dr. Chen studied cultures and diets around the world to create this formula.
- This is a whole-food formula! Uniquely concentrated with a state-of-the-art fermentation process and perfect calibration.
- Dr. Chen’s new fermentation extraction process raises the level of resveratrol in **each capsule to the amount found in 30-50 cups of wine.**
- MetaShaper is truly anti-aging and promotes longevity.
- As the body’s health improves, it sheds unwanted fat. As muscles tighten, the body gradually transforms into a new and leaner figure by losing inches where needed, especially around the waist and hips.
- Aids in brain function.
- Helpful for a healthy gut microbiome.
- It helps to reduce inflammation.

#### **Powerful Ingredients:**

##### **Garcinia:**

- The amount of food you eat decreases
- Significant increase in fat-burning
- Helps balance metabolism, especially related to the fat
- Muscles tighten
- The cardiovascular system is strengthened

##### **Resveratrol:** (in the Polygonum)

- Each capsule has the amount of resveratrol of 30-50 cups of wine.
- Anti-carcinogenic, Glaucoma, Macular Degeneration, microcirculation of eyes-anti-inflammatory – Doctors recommend for Macular Degeneration etc.
- Resveratrol is nature’s way of fighting disease, fungus and bacteria.
- Resveratrol suppresses inflammation and fights aging.

##### **Non-GMO Soy Concentrate:** (Never Soy Protein Isolate)

- Dr. Chen developed a new fermentation process with good bacteria that is similar to the process of making yogurt or tofu. Soy has a protective and beneficial effect. May help improve adipose and glucose metabolism, resulting in reduced body fat accumulation and insulin resistance;

##### **Green Tea catechins:**

- It contains a significant ingredient that promotes thermogenesis and weight loss, reduces lipids and fats, and scavenges free radicals before they damage cells.

- **Recommended** 2-3 caps with each meal.
- **Story:** After eating 3 caps 3xs a day within 24 hr., the dizziness and having to hang on for balance disappeared.
