Sunbreeze - Miracle in a bottle! Oil & balm, instant pain relief, soothe, relax & heal. 1 bottle do (pdf)

SunSmile Herbal Deodorant—To Keep Fresh the Natural Way! No Aluminum!

- Instead of using pore-clogging aluminum antiperspirants, which hold the toxins in and can irritate the skin, enjoy the fresh, balancing effects of ***SunSmile Deodorant***.
 - Some of the ingredients are zinc, vitamin E, baking soda, benzoin extract (also found in *Fruit and Veggie Rinse and Refresher Drops*), thyme extract, chamomile extract, balm mint extract, oat extract, Tea Tree oil, lemon oil, cypress oil, and evening primrose oil.
 - These ingredients kill the offending bacteria and give us a delightful, fresh-smelling scent.
 - Clogged lymph nodes under the arms are widespread and can lead to cancers.
-
- Most deodorants are laden with chemicals we do not want in our body.
 - Antiperspirants are even more dangerous because they trap the toxins in sweat, much like damming up a river.
 - Will not stain clothes.
 - It helps prevent odor naturally and safely.

“Clean, Confident, and Refreshed is how I feel all day,” Bonnie

Kid's Sunsmile Toothpaste – gentle on enamel & gums-tough on plaque...Kid Friendly

- Our kid-friendly toothpaste is gentle on enamel and gums yet tough on plaque.
- It's infused with natural fruit enzymes, baking soda, and herbal extracts, which promote clean, fresh breath.
- Made for developing teeth, SunSmile® Kids Herbal Toothpaste is free of abrasive or potentially harmful ingredients.
- Your kids will love the fun, fruity flavor. You'll love that they're brushing with a naturally safe toothpaste that's so delicious that they might brush a little longer.
- Brush your teeth regularly and thoroughly, preferably after each meal or at least twice a day as directed by a dentist or physician.

Benefits

- Naturally delicious berry flavor
- Safely cleans and polishes teeth
- It helps prevent plaque buildup
- Natural ingredients: no fluoride, triclosan, or SLS
- No artificial colors, sweeteners, or flavors
- **Safe to swallow**

Ingredients

Acetate (natural), Licorice Root Extract, Neem Leaf Extract, Sodium Bicarbonate

“My kids look forward to brushing their teeth....they love the taste,” Margie.

Sunbreeze Oil... Instant Relief!

One bottle does it all! Heavenly Smell!

Ancient Chinese Wisdom & Modern Technology

Sunbreeze is the number-one, all-in-one essential oil and balm formula on the market. It is distilled from flowers, bark, roots, peels, seeds, and herbs and is uniquely based on herbal manuscripts of ancient Chinese emperors.

Sunbreeze essential oil molecules are small enough to quickly diffuse through the skin, penetrating deeply and efficiently into the tissues and circulatory system. If your body needs cooling, it will turn cool. If you need heat, it will turn warm.

- It takes 200 lbs. of herbs to extract a single pint of **Sunbreeze Oil!**

Suggestions for Use:

- **On temples, forehead, and/or back of neck:** headache, muscle tension, drowsiness, motion sickness, insomnia
- **On area:** sinus congestion, strains/sprains, mosquito repellent, insect bites/stings, canker sores, toothache, muscle/back pain, around wounds, snoring, rheumatism, arthritis
- **On tongue:** sinus congestion, morning sickness, motion sickness, upset stomach, bad breath, heartburn, drowsiness, sore throat
- **Ears:** On Q-tip with drops applied to the ear for infections, water logging, wax buildup, motion sickness, and ear pain while flying
- **Burns:** Oil helps prevent blistering and relieve heat and soreness. If the skin is sore to the touch, mix it with lotion. Mix 10-15 drops of oil with water in a small spray bottle to spray or mist.
- **Air freshener:** Wonderful! Mist for cigarette smoke or other odors. You'll love it.
- **In shampoo:** Thinning hair, scalp problems, morning sluggishness, and headaches. Mix oil in shampoo or conditioner and wash as usual.
- **Delicate skin:** Mix with lotion for tiny babies, children, and the elderly; if the baby is constipated, apply it to the abdomen and bottom of the feet.
- **In Calli:** To open up sinuses, bowel cramps, sore throats, or upset stomachs, put a couple of drops of oil in a cup of Calli and sip.
- **Please avoid contact with eyes;** it won't harm eyes, but it will burn and tear.

Ingredients:

Oil: Menthol, Cassia Oil, Mint Extract, Eucalyptus Oil, Camphor; **Balm:** Menthol, Camphor, Cassia Oil (cinnamon bark tree), wax—uniqueness also in preparation.

"We love SunBreeze & always want it with us" Marty

"Sunbreeze is my number one essential oil formula!" Sheryl

Sunny Days ®....Freshen Breath, Soothe Your Throat, Stop a Cough

- Need fresh breath fast? **SunnyDays** is unlike regular mints or gum that contain sugars, that feed plaque-forming bacteria or contain gelatin, an animal by-product.
- **Sunny Days®** Herbal Gum Drops are formulated to freshen breath naturally, without cavity-causing sugars, chemicals, artificial additives, or animal by-products.*
- Natural ingredients such as menthol (mint), lemon oil, eucalyptus oil, and cinnamon oil deliver a crisp, clean flavor and help neutralize mouth odors.*

A Very Effective Cough Drop!

SunSmile Herbal Toothpaste—“Once you try it, you’ll never go back!”

- ***SunSmile Herbal Toothpaste*** polishes and cleans with natural baking soda, nourishing the gums, and, best of all, contains no Fluoride or Sodium Lauryl Sulfate.
- It is four times more concentrated than regular brands, is gentle and non-abrasive, and herbal toothpaste is safe and thoroughly effective.
- Use a pearl drop on your toothbrush - it goes a long way! Many Sunriders say a 4.75-ounce tube often lasts 6 months!
- ***SunSmile Herbal Toothpaste*** is anti-bacterial, helps prevent tooth decay, and nourishes the gums with the following:
 - **Bromelain** and other potent micro-granulated enzymes work to digest protein and food particles to eliminate plaque.
 - Refreshing and soothing herbal extracts, **Neem Tree Bark**, is a natural antiseptic used for centuries in India and Africa to clean teeth. It prevents plaque and does not break down gums.
 - **Camellia (green tea) extract** with anti-oxidants for oral health
 - **Chlorophyll** as deodorizer
 - **Grape Seed Extract** with bio-flavonoids for healthy gums
 - **Clove oil, eucalyptus oil, peppermint oil, cassia seed extract, magnolia flower extract, and licorice extract** are combined with a natural baking soda formula to deliver powerful cleaning and whitening action and an incredible, fresh, great taste.
- **Read the warning labels on other toothpastes and switch to Sunrider SunSmile! (No sugar, sodium laurel sulfate, saccharin, or industrial waste fluoride compounds of fluoride.)**
- Available in travel or full size.
- Designed to be used with ***SunSmile Refresher Drops*** and ***SunSmile Whitening Gel***.
- Your dentist and dental hygienist will ask what you are doing, and after using it, you will always feel like you just stepped out of the hygienist’s chair!

Toothpaste note by Dr. Tei Fu Chen

“Most toothpastes contain fluoride, a potentially toxic chemical that thins your enamel. Fluoride is so strong it is used to etch glass! When you’re young, you can crush ice with your teeth, but when you are middle-aged like me, even drinking cold water hurts because the fluoride in your toothpaste has eaten away your tooth’s enamel. Regular toothpastes also use sodium lauryl sulfate. SLS is a grease-cutting detergent that is too strong for the mucus membrane and can cause your gums to recede. Since toothpastes have these strong chemicals, toothpaste makers need to add a lot of other stuff to mask them—saccharin, artificial colors, and artificial flavors. It’s no wonder that eating a spoonful of toothpaste will make a child sick. SunSmile® Herbal Toothpaste is designed to gently and effectively clean your teeth and gums. Instead of fluoride, we use a combination of enzymes and herbal extracts such as neem tree oil and peppermint oil. Instead of SLS, we use baking soda, a nonabrasive cleaner. Our toothpaste contains no sugar derivatives, artificial colors, or artificial flavors. Because our formula is so concentrated, it is naturally green with a clean mint flavor. Our herbal toothpaste is very expensive for me to make, but nothing else on the market works as well.”

***“Everything changed for the better when I switched to the best toothpaste anywhere!
So happy, I’ll never go back.” Tricia***

SunSmile Whitening Gel—Have A Clean, White Smile...(No Bleach)

- **SunSmile Whitening Gel** is an herbal-based gel formulated with maximum strength peroxide and extra enzymes for increased cleansing and whitening power.
