

Title: Finding Resolution

Script:

INT. COFFEE SHOP - DAY

Jason and Sarah sit at a cozy table, sipping on their drinks. Sarah looks visibly distressed, and Jason senses her unease.

Jason:

(noticing Sarah's demeanor)

Hey, is everything okay? You seem a bit on edge.

Sarah:

(sighs)

It's just this whole divorce mess.

I don't know how I'm going to get through it.

Jason:

(sympathetic)

I understand. Divorce can be overwhelming,
but there are options out there that might make things easier.

Sarah:

(curious)

Like what?

Jason:

(leaning in)

Have you ever heard of Informal Family Law Trials?
I went through one recently, and it was a game-changer.

Sarah:

(intrigued)

No, I haven't. What are they?
