Est. 1976

PO Box 2157

Tuggeranong ACT 2901

Player Roll of Honour

Principles

Version 1.0

BACKGROUND OF THIS POLICY

This document was developed to formally set out the parameters surrounding the acknowledgement of the number of games played by our club members by way of a TVHC Roll of Honour.

GENERAL

The club seeks to acknowledge our players who have recorded 100 or more games played with TVHC, recognised at each milestone being increments of 100.

ACKNOWLEDGEMENTS

The player must be a current financial member, officially registered in any senior grade, in the year of acknowledgement.

OTHER CONSIDERATIONS

- Players returning to the club after a break will have their past game history data included in their current year tally.
- Junior players will have their junior data included in their total tally when financially registered in any senior grade.
- Past financial players who remained involved in the club on a voluntary basis and registered as a non-playing official in the inaugural year of 2022 (e.g., committee member, coach) are also to be acknowledged. Those games played will be carried forward if and when that club member returns to being a financial player.

INITIAL BASE DATA

It is noted that the initial base data used in the inaugural year of 2022 is not necessarily complete. Junior data held by HockeyACT only dates back to 2010, and some years are missing from the senior data. If any missing official data from Hockey ACT records is retrieved, it will be added to the principal document of all club players, past and present. It is also noted that this data only includes games played in junior and senior winter competitions (not indoor or grass competitions). This may formally change if and when data for these other competitions becomes available through official HockeyACT records.

MAINTAINING OF DATABASE

It is the primary responsibility of the Vice President: Operations to maintain this data, update the database spreadsheet at the end of each winter playing season, and ensure that players reaching new milestones are notified to the Executive Committee to be officially acknowledged by the Club.

The Vice President: Communications is responsible for maintaining the Roll of Honour list on the TVHC website.
