About Us

We are a newly established car club based in Western Sydney who want to focus on creating social events for members that include cruises, dinners, car events like Race for Real, Car Shows and anything else car related that we can all enjoy! Our club is open to any vehicle on 2 wheels or 4 and we welcome ANYONE who would like to join.

We are a registered Not for Profit Organisation.

We offer Historic Registration to our club members

We have a club committee to help run smooth events

We run events to cater to all interests including on road, off road and track events

About Our Events

Punisher Motorsports Car Club aims to become involved in working with companies that help underprivileged children and underprivileged people in general and help bring a sense of excitement their lives.

We will be running regular raffles with proceeds being split between local charities that we support, and supplies needed to keep our club up to date to continue doing our good work.

Our club is also affiliated with the Australian Modified Vehicle Association (AMVA) which will also be holding Tradesmanship days, Vehicle Testing days and providing education and support to club members

We also support local events in our area, like weekend Cars and Coffee days and would like to start presenting awards for different vehicles.

We would also like to reward our members for their loyalty and consistency in the support of their club by monthly achievement awards.

Why Sponsor Us?

Align your brand with a reputable Not for Profit club

Demonstrate your commitment to your local community

Reach a broader target audience via our marketing

Enjoy exclusive benefits and networking opportunities with other sponsors
