To

ARAM SEI

Dear Members of the esteemed ARAM SEI a warmly knit network of PATTANATHARS on planet Earth!

Greetings to you all! The Lord is risen from the dead as written in the scriptures; now He lives for God in all of us! Alleluia! I believe ARAM SEI pulsates this Eternal life as something inexhaustible a source freely available for all PATTANATHARS of good will. Its clarion call to extend itself to inspire, guide, support, accompany and be a part of all those aspiring young PATTANATHARS to grow to excellence of newer and nobler capacities of knowledge and wisdom is bringing home an uncommon awareness of being-skills. That is why ARAM SEI defies prejudices and poverty of every kind, any kind of domination or limitation blocking the path of opportunities for young school/college students with their tiny dots of dreams to come up in life and later to contribute to life.

ARAM SEI's power to instill belief in the young minds of opportunities of life builds up fidelity to life! This power of fidelity cannot but bring forth fruits that last!! This is because ARAM SEI, true to its name, is a living communion of caring people who are selflessly sharing their own resources to keep the flame of doing the good and the right so that all deserving students crossing over struggles may reach the land of the living which ARAM SEI accompanies them to. Not only that the bread that ARAM SEI shares with the deserving poor fishers who under pangs of hunger during disastrous times like COVID 19 is the most sacred sign of the Members of ARAM SEI genuinely sharing themselves which in time turns every beneficiary into a benefactor of sorts. This is the NEW PATTANAM of brotherly communion rising above the barriers which ARAM SEI is striving towards!!

I wish ARAM SEI ever new Rainbows of Grace of God for all their endeavours and showers of blessings upon their families and the countries they explore!

*Fr. Kirupakaran*

Rev. Fr. A.S.Kirupakaran,  
Parish Priest.
