My Dear Friends of ARAM SEI,

GREETINGS of peace and joy from Christ our Lord.

I am happy to note that you have jointly taken up this noble task of helping the less fortunate students of Patnam to render a helping hand to uplift them in their studies and professional courses.

Charity begins at home! This dictum very well fits in your context.

Apostle Mathew in his Gospel chapter 25 says “Whatever you do to the least of my brothers, you are doing to me”. I wish to congratulate you all for putting the Word of God into concrete gesture of love and solidarity with the needy.

May one Lord, Our Lady of Mount Carmel & St. Thomas Apostle our patrons bless all of you, protect you and fill you with Heavenly Grace and necessary Earthly Blessings. Carry on this good work.

With Prayer & much appreciation

Yours in Christ

Fr. Jerosin A Kattar
