

Glen Ellyn Interfaith Prayer Breakfast

“Welcome to America”

Wednesday, October 25, 2023

7:30 a.m. - 9:00 a.m.

Featured speaker: *Zahra Bahremandi*

Zahra is a resident of Glen Ellyn for the past year having moved here shortly after escaping from Afghanistan under very dire circumstances. As the Taliban had her name on a wanted list and was searching for her, a network of people around the world came together to help her find safe passage to the United States. Zahra is truly an amazing person. She has lived in both Afghanistan and Iraq and is from a minority group. Before fleeing Afghanistan, Zahra was a university professor, having defied all odds and opposition and getting a master's degree in linguistics. Zahra has appeared on CNN and spoken at various venues.
