

HAMPTON INN – BREAKFAST ROOM REMODEL – BID REQUEST FORM

E-mail your pictures (and this form) to daniel.bezden@probuildcreations.com

Please put the name of your hotel in the subject line: EX: Bid request – Midland, TX

Hotel : _____ Contact Person: _____

Position _____ Email: _____

Phone: _____ Cell: _____

Address: _____

Please complete the checklist below (taking some pictures and measurements)

PICTURES

- 1. Turn on all the lights in the breakfast room
- 2. Open the customer entrance doors
- 3. Stand some distance back and take a picture from the customer dining area, showing the full width of the breakfast room
- 4. Take a picture of your island (if you have one) – standing back far enough to show ceiling area above island (portrait orientation may work best)
- 5. Take a picture from **each corner** of the breakfast room in horizontal orientation
 - Front left corner (looking back to the main back wall and opposite corner)
 - Back left corner (looking back to opposite corner, island and main entrance)
 - Right back corner (looking back to opposite corner, island and main entrance)
 - Right front corner (looking back to the main back wall and opposite corner)
- 6. Take a full frontal picture of each counter area (typically three counters)
- 7. Take a picture from the left and right side of the room, showing the ceiling area

MEASUREMENTS (ROUGH MEASUREMENTS IN INCHES)

- 1. Full width of room (wall to wall) _____
- 2. Full depth of room (wall to main door) _____
- 3. Width of main door opening (may be two) 1. _____ 2. _____
- 4. Width of counters on walls (measure from end of countertop material to other end of material)

Counter 1 _____ Note: (Ex: Waffle / Eggs / Juice) _____

Counter 2 _____ Note: (Ex: Waffle / Eggs / Juice) _____

Counter 3 _____ Note: (Ex: Waffle / Eggs / Juice) _____

Counter 4 _____ Note: (Ex: Cereal) _____

Are there plugs behind your equipment on the counters?

Yes _____ No (the plugs are below the backsplash inside the cabinets) _____ Both _____

If "Yes", then how many plugs are there (above all the counters) _____

Are these plugs bright white? Yes _____ No, they are not bright white _____

If you have any pendant lights hanging above your counters, how many lights are hanging? _____

How many doors (other than the main customer entry doors) do you have?

(IE: Doors leading into the kitchen or a passage area – typically 1 or 2) _____

Most Hampton Inns require the Phase II design – white backsplash with blackboard graphics.

Some Hamptons (typically with smaller breakfast rooms or odd layouts) require an alternative design (with 3D Graphics and Lettering)

Are you aware of the one required for your facility?

Note sure _____ Phase II with Blackboard Graphics _____ Alternative design with 3D Graphics _____

We will bid the remodel with materials and labor shown separately.

If you have already ordered any materials for this project, please list them:

New pendant light: Yes _____ No _____ Blackboard graphics & pictures: Yes _____ No _____

Wallpaper: Yes _____ No _____ Steel rails: Yes _____ No _____

Paint: Yes _____ No _____ Backsplash tile: Yes _____ No _____

Schluter: Yes _____ No _____ Other: _____

Notes: _____
