

Geelong Square Dancers

Heat Policy

The following heat policy will be activated on days of extreme heat.

There is no Air Conditioning available in our hall, but we do have good Ceiling Fans. Also, some dancers and our caller travel over an hour to attend the dance so with that in mind.

**No dancing if the temperature is
37 Degrees @ 7.00pm in Geelong.**

Please use www.google.com.au as the guide of the current temperature, this is where we will check.
