

**ANGLERS FISHING CLUB of PITTSBURGH**  
*YOUTH FISHING OPPORTUNITY & FISHING EQUIPMENT  
LOANER PROGRAM*

Dear Community Member:

We have started out small and now have developed into a well-rounded, competitive and a highly dedicated collective volunteer team. We have an exciting year planned and we are asking for donations to help offset our general expenses and to keep our organization progressing. Each season requires a significant budget that cannot be met by our dues alone. Although much of our budget comes from our members we try to keep the membership dues down in order to allow more people/members to participate. We depend on business as well as individuals in the community to support our organization for us to continue to provide fishing opportunities, angler skills and life lessons to all children in Allegheny and surrounding counties.

Our goal is to acquire sufficient funds and or donation of goods from sponsors to strengthen the foundation of our organization and to ensure future success.

Given that we are a non-profit organization your donations are tax deductible and serves as an excellent way to give back to the community which will show our youth that the community is standing with them.

We greatly accept any assistance you can offer and we thank you in advance for your support to our organization.

Donors will be presented with a letter of thanks as well as an acknowledgement certificate for your tax-deductible donation. Also any donation over \$100 in cash or product will receive a SPONSOR status and will be recognized on our website and event programs, Our federal tax identification number is available online for your convenience.

Thank you for your consideration in advance!

Sincerely,

Anglers Fishing Club of Pittsburgh
