WELCOME TO QUEENSBURY ELEMENTARY SCHOOL

Whether you are a new family joining Kindergarten or a family transferring to us, the Queensbury Parent Advisory Council (QPAC) welcomes you to Queensbury Elementary.

We strive to facilitate communication and engagement between parents, teachers, and the wider school community. We aim to create a positive and supportive learning environment for all students at Queensbury Elementary.

ABOUT QPAC

PAC stands for Parent Advisory Council. Every parent/caregiver with a child at Queensbury Elementary School is a member of the Queensbury Parent Advisory Council (QPAC). QPAC meetings are held bi-monthly on the second Tuesday of the month at 7:15PM. The first and last meetings of the year is held in person in the school's Library all other meetings are held via Google Meetings as parents/caregivers find it a convenient method of participating. All parents/caregivers are welcome, and we look forward to seeing you there!

QPAC mission is to:

- Promote/facilitate communication between parents/caregivers, the school (teachers/administration) and the district.
- Actively and positively support Queensbury school spirit and social responsibility.
- Support the enrichment of the elementary school experience for our children through volunteering at the school, coordinating events and programs and fundraising.
- The QPAC Executive Committee coordinates the talents of the many parent/caregiver volunteers to achieve the maximum benefit for the students and the school.

HOW CAN I MEET OTHER KINDERGARTEN STUDENTS AND THEIR FAMILIES?

The QPAC plans a kindergarten playdate at the end of the summer so that new kindergarten students and their families can get to know each other prior to the school year starting. QPAC members will also be available to answer any questions that you might have. The QPAC will be sending out further information on the play dates at the end of June. If you have not heard from us, please email queensburypac@gmail.com.

HOW SHOULD I CONNECT WITH MY CHILD'S TEACHER?

Meet the Teacher. In early September, you will be invited to attend an evening information session with your child's teacher. This is a good time to ask your child's teacher about their preferred methods of communication and any other questions that you might have. After Meet the Teacher, the QPAC holds a Welcome Back BBQ, for all Queensbury Families.

Generally speaking, Teachers are usually available after 3:00pm for brief meetings with parents. However, some may prefer to set up meeting times in advance.

Teachers will also communicate via email, Microsoft Teams or use the FreshSchools platform to send messages out to the families of their students
