Reasonable Cause Explanations

Explanation

Our non-profit experienced unexpected and significant delays in filing this year's Form 990 due to complications arising from technical issues with our financial software integrations. Specifically, we encountered persistent problems with the integration between QuickBooks and PayPal, which are critical tools for our financial reporting. These issues were not resolved until much later than anticipated, which delayed our ability to compile and review our financial information accurately. Additionally, our treasurer, who plays a crucial role in the preparation and filing of our financial documents, was unexpectedly unavailable for a critical period due to personal circumstances, as she was undergoing a divorce. This situation significantly affected her availability and ability to fulfill her duties during the preparation and review period of our financial reports. Given these circumstances, our delay in filing the Form 990 was due to reasons beyond our control, and we took immediate actions to resolve the issues as quickly as possible once they were identified. We respectfully request that any penalties for late filing be waived, as the delay was caused by reasonable cause according to the provisions of section 6652(c)(1)(A).
