

Downloadable video experience to share with family and friends

Our videos make a thoughtful gift for the entire family, enabling loved ones to connect and enjoy the experience together. The downloadable video file ensures that sharing this special experience is simple and convenient for everyone.

Optional USB package for added convenience

RemConex is a downloadable video file for your community to share with family and friends. For added convenience, they can choose to have the video preloaded onto a eco-friendly USB device, packaged and delivered for just £29 (Free UK delivery only).

Empowering change through charitable support

Our mission is about positively impacting society. We strongly believe in giving back and actively support various charitable causes. We donate 10% of our profits to support charitable organisations that share our value to make a meaningful difference in the care industry. By supporting us you will be contributing to a bigger cause.

- Sense of connection during end-of-life care

Subscriptions and Community Outreach Programme

Our subscription plans are designed for care homes, nursing homes, and hospices, offering residents' loved ones unlimited, free access to create and download comforting video memories.

Healthcare organisations and charities can join our 'Community Outreach Programme' at no cost. Your community can create meaningful videos at a reduced rate of £49 per download (normally £79), allowing families and friends to support loved ones while your organisation provides a valuable initiative.

We provide you with a promotion brochure, email template, personalised discount link and code to help you share our service effortlessly. For only £29 users can also opt for the video to be pre-loaded onto a eco-friendly USB device, delivered and ready for instant plug-and-play use (Free UK delivery only).

Learn more about our free Discovery Trial

Enjoy a one-month free trial of our service, subject to eligibility. Contact us or visit our website to learn more and see how we can support you.

Personalised videos that celebrate family and friends bonds and timeless memories

Our platform brings together up to 20 heartfelt video messages and cherished photos, both old and new, that serve as a beautiful reminder of the meaningful connections that shape their loved ones lives.

Reviving memories with AI-enhanced images

We use state-of-the-art AI image enhancement technology to bring old black-and-white photos to life with vibrant colours so old memories can be relived in a new way.

Connecting to nature's beauty and serenity with stunning visuals and soothing music

Our collection of stunning landscape images from around the world, accompanied by calming music, provides an ideal setting for creating a personalised, peaceful and immersive sensory experience for your loved ones.
