Dear Friends and Supporters,

As we come to the close of this year, we want to pause and say thank you. Thank you for your prayers, your generosity, and your unwavering support of Femi's Heart Foundation. Every life touched, every family supported, and every hope restored this year is because of faithful partners like you. Femi's Heart is built entirely on volunteers—generous individuals who give their time, talents, skills, and hearts to serve. Your prayers and generosity fuels this mission and allows us to continue honoring Femi's legacy with compassion, integrity, and impact.

After prayerful reflection with the boards, we want to share an important update about our mission moving forward.

Our Global Mission Remains the Same

Globally, Femi's Heart will continue to focus on Education and Health, including:

- **Blood Drives in partnership with the Benin Red Cross**
- **Back-to-School & Tutoring Initiatives**
- **Meals-in-School Programs**
- **ReuniteHer & Her Newborn Initiative — supporting hospital fees to C-section mothers .**

A Focused Local Mission Beginning Next Year

Locally, beginning next year, Femi's Heart will focus exclusively on Health. We are deeply grateful for the many wonderful organizations in our community already doing exceptional work in youth education. To steward our volunteer capacity well and maximize impact, our local focus will be:

- **Mental Health Advocacy & Support in the African and International Communities.**
- **Siblings Support Initiatives through Children's Hospitals**
- **Life-Saving Blood Drives in partnership with the American Red Cross & Good News Church.**

This strategic focus allows us to deepen our impact where the need is urgent and where God has clearly positioned us to serve.

As we enter this season of reflection and generosity, we invite you to remember Femi's Heart in your end-of-year giving. Your gift—whether one-time or monthly—helps us continue meeting critical needs, saving lives, and offering hope to families both locally and globally.
