

**HONORING
FEMI'S LEGACY**

HEALTH. HOPE. EDUCATION.

The background image is a dimly lit photograph of a group of people sitting in a circle, likely in a meeting or community gathering. In the foreground, two hands are visible, reaching towards each other and joining their fingers to form a heart shape. The overall tone is somber and focused, with the text overlaid in a clean, white font.

922 backpacks with essential supplies

Evangelism & Prayers

2,451+ souls reached through gospel outreach and hospital visits

A Message from Femi's Heart Team

This year marks a transformative chapter for Femi's Heart Foundation as we expanded our reach across the United States and Benin, touching thousands of lives through comprehensive healthcare services, educational empowerment, and community engagement.

With the unwavering dedication of our volunteers, the strength of our strategic partnerships, and the extraordinary generosity of our supporters, we continue our mission to **save lives, empower youth, and uplift communities**. Every program, every screening, every scholarship represents hope in action.

USA Impact Overview

414

**Lives Potentially
Saved**

Through 13 blood drives
collecting 138 units of
life-saving blood
donations through Red
Cross Partnership

467

Bikes Distributed

Plus 103 helmets through
FB4Kids Partnership,
promoting youth safety
and mobility

250

**Workshop
Participants**

Served through Mental
Health Workshops,
Summit, addressing
critical community needs

1,700

**Health Fair
Attendees**

Participated in our co-
ordinated Annual
African Health Fair event

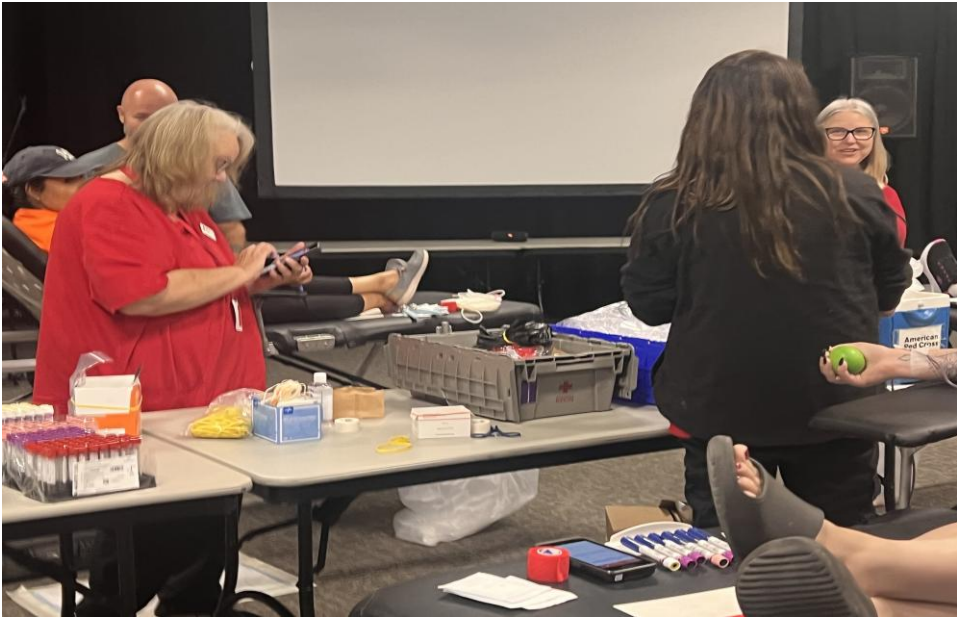

Local Community Impact Highlights

Local Community Impact Highlights

Local Blood Donation

Healthcare & Emergency Services in the USA

Blood Drives Partnership

13 community blood drives successfully collected 138 units, creating the potential to save 414 precious lives across our communities.

CPR Training Program

18 life-saving CPR classes delivered in partnership with African Immigrant Family Services, equipping families with emergency response skills.

Siblings Support Network

13 families received comprehensive support through our partnership with Omaha Children's Hospital during challenging times.

Education & Youth Empowerment in the USA

Scholarship Excellence

16 deserving students received educational scholarships, opening doors to academic achievement and future opportunities.

School Supply Distribution

186 backpacks plus 41 additional supplies ensured students had the tools needed for academic success.

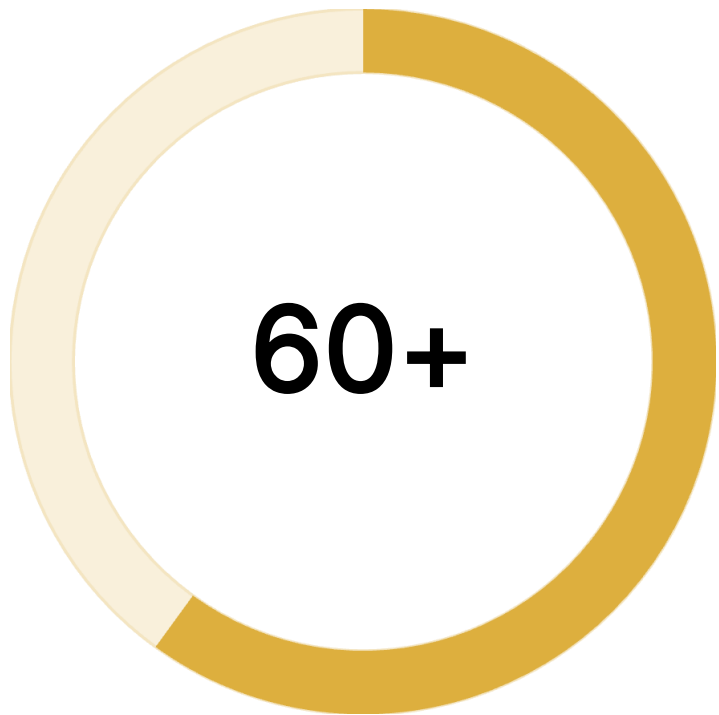

Ambassador Program

6 high school seniors and 1 first-year college student engaged as community ambassadors, developing leadership skills.

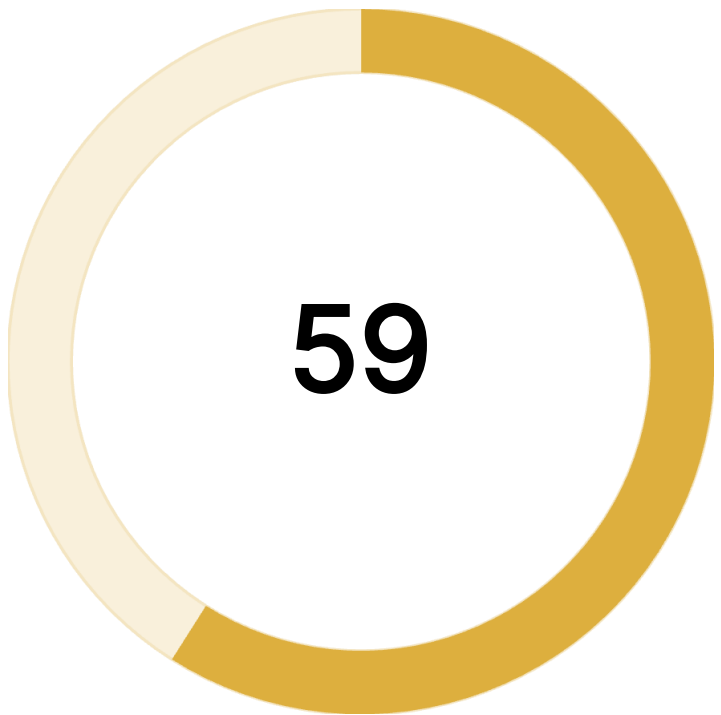

Community Health Fair Impact

Our 2025 Annual African Health Fair brought together **1,700 participants** for comprehensive health services and community connection. This collaborative effort demonstrated the power of partnership in addressing health disparities.

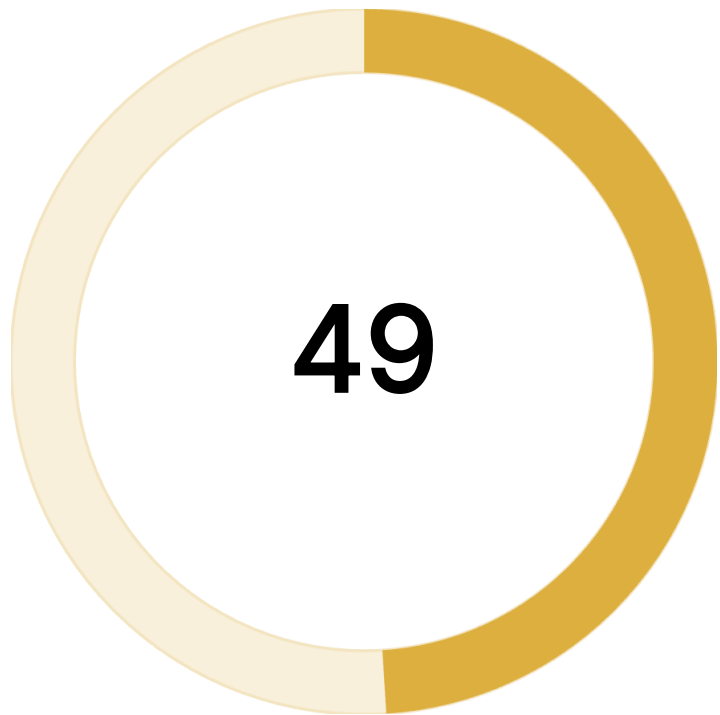

Diabetes Screenings

Early detection services provided to community members

Dental Screenings

Plus 160 served by Tooth Fairy exhibit for oral health

Vision Screenings

Eye health assessments with on-site interpretation services

Benin Impact Highlights

In Benin, our programs addressed critical needs in healthcare, education, and support for vulnerable children. Through strategic partnerships, we created sustainable impact that will benefit communities for years to come.

Life-Saving Blood Drives

6 drives with Benin Red Cross collected 513 units, potentially saving **1,539 lives**

Maternal Emergency Support

13 mothers and babies supported through our C-section emergency program

Child Health Screenings

500 children received annual medical screenings for early intervention

Looking Ahead to 2026 Locally

Femi's Heart Foundation remains steadfast in our commitment to saving lives, empowering youth, and strengthening families both locally and in Benin West Africa. Our vision for 2026 builds on this year's remarkable achievements.

1

Expand Mental Health Awareness and Advocacy Programs

Increase life-saving blood donation initiatives and health screening services

2

Enhance Sibling Support

Scale Sibling Support initiatives for comprehensive family support

3

Strengthen Youth Leadership

Grow scholarship programs and develop next-generation community ambassadors through mentorship and spiritual guidance

Together, we saved lives, built hope, and created lasting change for over 4,000 individuals across two continents.

Looking Ahead to 2026 Benin West Africa

Femi's Heart Foundation remains steadfast in our commitment to saving lives, empowering youth, and strengthening families both locally and in Benin West Africa. Our vision for 2026 builds on this year's remarkable achievements.

1

Increase Health Support Program & Health Screening

Increase life-saving blood donation initiatives and health screening services
Sponsor medical supplies, hygiene kits, and nutritious meals to support daily care

2

Strengthening Orphanage Partnerships in Benin

Collaborate on youth empowerment programs that blend vocational training with biblical inspiration.

3

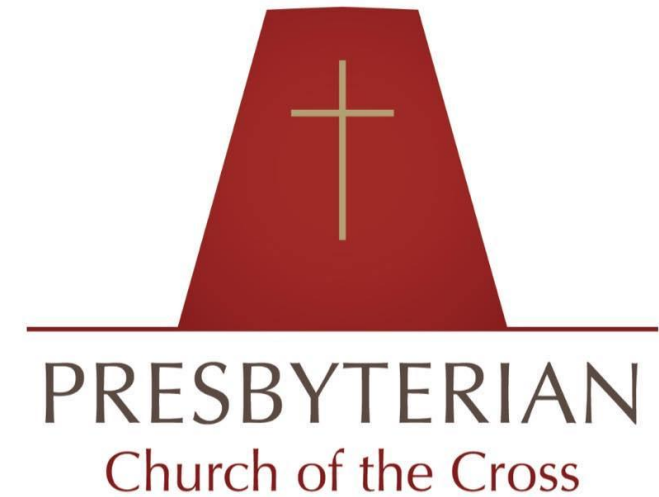

Expanding Education & Child Support in Benin

Increase our scholarships and school supplies to children in underserved communities.

Partner with local educators to launch after-school programs focused on literacy, faith, and life skills.

💖 Support a Life-Saving Mission—One Dollar at a Time At Femi's Heart Foundation, we believe that healing begins with compassion—and even the smallest act of generosity can change a life. Because even one dollar can carry the weight of a miracle. Thank you for your generosity and God bless you!
