We are pleased to share the exciting news that Wine Enthusiast Magazine has nominated Ca' del Bosco *European Winery of the Year* for the 2024 Wine Star Awards.

As the US importer for Ca' del Bosco, we are proud and appreciative of the Ca' del Bosco team and its founder, Maurizio Zanella. Established in 1968, the Zanella family has consistently strived for excellence. Alongside the partnership of the Marzotto family, Ca' del Bosco has continued to be an international leader within Franciacorta.

All of us at the Santa Margherita USA family value the commitment of our business partners, dedicated distributors, and, most importantly, those discerning consumers who have consistently shown their love for Ca' del Bosco and their beautiful wines.

Let's all raise a glass to celebrate Ca' del Bosco on this prestigious nomination.

Thank you,

Vincent Chiamonte
