

Membership Transfer Application

Purpose of Form

This form is to request a transfer of your current membership from the business as set forth in your most recent Application that the Board of Directors voted upon and approved to another business during the same membership year. Any such transfer requires Board vote and approval. Membership is limited by the By Laws to women in management, professionals and entrepreneurs who are involved in decision and policy making for their respective companies. If approved the dues you paid for the current membership will be considered transferred to the new business. If approved you may only promote in NEW literature or at NEW events the business associated with your one membership. If you have two or more businesses you wish to promote then you must apply separately for each such business. Additional dues apply.
