

# Network of Executive Women

## 2023 Scholarship Application Information/Instructions:

---

For over 40 years, the Network of Executive Women (NEW) has been dedicated to helping to support the educational goals of women in need of tuition assistance by awarding scholarships.

### To be considered, applicants must:

- Be at an undergraduate level, but not transitioning from high school to college.
- Be enrolled at an accredited school in New Haven or Fairfield Counties.
- Demonstrate financial need.
- Be enrolled, continuing, or returning to school to further their educational goals or training to enhance their job skills.

Please note: This scholarship is **NOT** open to high school graduates or students who have continuously schooled since high school. The program is designed for women who have had their education interrupted or delayed, never had the opportunity to pursue high education, or otherwise need additional credentialing to advance in their career. Most of our candidates are working women in mid-life, attending school part time or full time to further their career and earning potential.

The deadline for submitting applications is **Monday, February 20, 2023, at 5 PM Eastern Time**. NO application submitted after that deadline will be considered by the committee. To learn more about our organization and scholarship program, go to our website at: [networkofexecutivewomen.org/scholarships](http://networkofexecutivewomen.org/scholarships).

For questions and to request an application, please email Susan Oderwald at [NEWscholarship277@gmail.com](mailto:NEWscholarship277@gmail.com). **Applications are not available online.**

Scholarship finalists will be interviewed by the NEW Scholarship Committee, and recipients will be awarded at our April 4th luncheon in Milford/Orange. The expectation is that award recipients will attend the luncheon and are invited to bring a guest.
