Scheduling & Financial

A minimum of 48 hours notice is required for canceling or changing any appointment.

We will reschedule a Consultation only once, after which, the No Cost Consultation offer shall be void.

In the event of an emergency, we will reschedule one appointment at no cost. Any other cancellation within the 48 hour window, will be charged a cancellation fee of fifty (50%) percent. No-shows or cancellations within 24 hours or less will be charged the full amount for that appointment.

Complete payment is due 48 hours in advance of any Guidance Session. Unpaid Appointment Requests shall not be confirmed. It is up to the Student to reschedule.

We are an online service set up for email appointment confirmations and reminders. In the event our communications are misdirected by technology or by accident, The Student is responsible for keeping the appointment. In the event of a natural disaster, internet or service failure, Students shall be notified immediately whenever possible and any affected appointments shall be rescheduled promptly upon restoration of services at no cost.

Safety and Confidentiality

The Path to Healing is Shadow work. We deal with the darkest, most forbidden parts of the self to free ourselves from the darkness by making educated Choices about who we are, how we want to feel and how we want to live our life. We will be talking about and analyzing behaviors, thoughts and emotions with objectivity and compassion that aids Learning. A certain amount of discomfort or upset is to be expected and even welcomed and celebrated. Our first priority is to *Honor and Respect the Self and All Others At All Times*. Therefore, the following *Safety* parameters will be observed by all participants:

Everything except threats or implied threats to the safety of the self or others remains confidential.

Should a Student state or suggest they are now or have recently *Engaged* in the abuse of a child or vulnerable adult, this information shall be reported to the appropriate social service and/or legal authority.

Should a Student disclose intentions or a plan to harm the self or another person or persons or engage in illegal acts, this information shall be reported to the appropriate social service and/or legal authority.

I understand *The Path to Healing* is a *Spiritual School for Humans who Choose to See, Know and Heal the Self* and not a doctor's office, health care facility or hospital. Emergency medical or safety issues must be addressed by medical or safety professionals. To get emergency medical or police help in the US now, I call 9-1-1. For Suicide Prevention I call 9-8-8, the national crisis hotline.
