President's Report

Was presented as an oral report.

President noted a "massive bump" in membership for the past year.

He noted that there are now two clubs

He stated that the children's program had been restarted in the Winter with "good" numbers

Canada Games Team was progressing with youth training group and Spring training camp

Coaches were instructed by Olivier Tyteka

Financial Report

The financial entanglements of past years were being straightened. For instance, insurance owed was now paid.

The bank account is now digital.

The account remains positive, though necessarily lower than before.

One grant has finally arrived, that of a thousand dollars.

It was suggested that sporting grants should be investigated.

The financial year was agreed to be moved to April 1 to April 1.

Business Arising

None

New Business

Ratification of Policy was delayed allowing some to read the material (already posted for a year). An e-mail vote was agreed-to.

Approval of NFLA fees to 60 annual was unanimously agreed to, with Justin's suggestion that the move be made retroactive added.

There was a question of the nature and possibility of a volunteer fee.

A review of by-laws to examine recreation fees was suggested.

Kirsti asked about the NFLA membership of Pawson Swift fencers. Is there a list? There consensus was that those taking modern fencing should be paying fees to the NFLA.
