

Lorena Strong – Meet the Board

ALPINE CLUB • A Gathering Place Since 1950

How long have you been volunteering with the Alpine Club?

I've been volunteering with the Alpine Club since before Goodwill was part of the property. I first became involved through Thrifty Threads around 2010 or 2011. Time truly flies when you're having a blast.

What first brought you to volunteering at the Alpine Club?

After moving to the Harbison Canyon area, I wanted to become more involved in the local community. The Alpine Club felt like the perfect place to connect, build relationships, and give back.

How long have you been serving as a board member?

It's been about five years. After volunteering for so long, it's hard to keep exact track, but serving on the board has been a wonderful and rewarding experience.

What is your favorite part of the Alpine Club?

I enjoy interacting with our members and seeing them come together to connect, participate in activities, and strengthen the sense of community throughout the year.

What is your favorite thing about the Alpine community?

I love Alpine's natural beauty — the trees, open spaces, and scenic landscape that make it such a peaceful and special place to live and spend time.

Are you involved with any other nonprofits or community-centered groups in Alpine?

Not currently, but I was involved with Alpine Community Church for several years and enjoy supporting local nonprofits whenever possible.

Is there anything else about the Alpine Club or the Alpine community that you would like to share?

I love helping create welcoming environments where members gather for events like Bingo Night. Decorating, setting up, and seeing the joy on people's faces as they connect is incredibly rewarding.

What's one thing you love about living in or spending time in Alpine?

Spending time at the Friends of the Library bookstore is one of my favorite things. Supporting our wonderful library and connecting with volunteers brings me so much joy.
