

## **Meet The Alpine Club Board of Directors**

**Juddi Brennan**

I have always believed that service, generosity, and community are core values. Soon after moving to Alpine in 2000, my husband and I wanted to find a way to contribute our time and energy to our new community.

Happily, for us, The Alpine Club posted on social media looking for volunteers for the Fourth of July Festival. That was just the beginning we were looking for to contribute and give back to our new hometown.

When Shane asked me to consider running for the Board, I was honored. What I found was that The Alpine Club is guided by a dedicated Board of Directors who bring a shared passion for our community to provide strategic direction, supporting the Club to sustain the Club for the future. I continue to be grateful for the opportunity to help guide the Club's future and to work alongside those who also value the Club's mission and values, who love to laugh, work hard and serve the community.

Throughout my career, I have worked to support the well-being and mental health needs of the larger San Diego community. After retiring and moving to Alpine, I volunteered with the Registrar of Voters at the voting polls in East County. What stands out to me is that helping someone understand the voting process or reassuring them that their vote is secure and mattered is a privilege.

Calling Alpine and The Alpine Club home has enriched my life. I also absolutely love that I can go grocery shopping without stopping at any traffic lights!
