**APPLICABLE EXPERIENCE:**

3/1/11 – Present SVP Evaluator  
Illinois Department of Human Services/Treatment and Detention Facility  
1680 E County Farm Road  
Rushville, IL 62681

Work Experience: Under the Illinois Department of Human Services, I evaluate Sexually Violent  
Persons and persons held under probable cause as possible Sexually Violent Persons. I provide expert  
witness testimony.

2/1/14-Present      Private Practice – Forensic Psychologist  
Assisted Awareness, LLC  
Burr Ridge, IL 60544

Work Experience: In my private practice, Assisted Awareness, I conduct psychological, clinical, forensic, and psychosexual evaluations of adults and adolescents for sentencing, monitoring, supervision, and treatment recommendations for persons charged in State and Federal court districts. I write evaluations and testify in court in Sexually Dangerous Persons civil commitment cases.

5/13/2016 – 5/31/2022   SDI Evaluator  
North Dakota Department of Human Services, State Hospital  
2605 Circle Drive  
Jamestown, ND 58401

Work Experience: Under independent contract with the North Dakota Department of Human Services, I served as a State expert in the evaluation of persons committed and referred for commitment to the Sexually Dangerous Individual civil commitment program of North Dakota. I wrote evaluations for the court and testified in court regarding my opinion about the sexual dangerousness of respondents. This was a contract position and services were provided as needed.

9/04-2/14              Licensed Clinical Professional Counselor and Licensed Clinical Psychologist  
Assisted Awareness  
24109 Lockport Street  
Plainfield, IL 60544

Work Experience: As sole proprietor of my private practice, I conducted psychological, clinical, and forensic evaluations of adults and adolescents. I provided cognitive-behavioral, existential and mindfulness counseling for self-referred individuals. I provided couples counseling, family counseling, and behavioral consultation for persons presenting challenging behaviors. I was listed as a treatment provider and evaluator on the Illinois Sex Offender Management Board treatment provider list.

1/06-5/09              Adjunct Professor  
University of St. Francis  
500 Wilcox Street  
Joliet, IL 60435

Work Experience: As adjunct professor, I taught courses for the Psychology Department. Courses taught included: Forensic Psychology, Group Dynamics, Psychological Testing, Introduction to Counseling and Psychotherapy, Personality Theories, and Existential/Humanistic Psychology.

1/06-5/07              Adjunct Professor  
Chicago School of Professional Psychology  
325 N. Wells Street  
Chicago, IL 60610

Work Experience: As adjunct professor, I taught courses in the Forensic Psychology Program and in the Masters Degree Clinical Program. Courses taught included: Documentation, Report Writing, and Testifying; Assessment and Treatment of the Adult Offender; and Existential-Humanistic Psychology.

1/05-1/07            Doctoral Intern  
                          Youth Services Program  
                          407 W. Jefferson Street  
                          Joliet, IL 60443

Work Experience: As Intern in the Adler School of Professional Psychology Clinical Psychology doctoral program, I provided individual and family therapy and evaluated adolescents and children of both genders. I supervised masters and doctoral level therapy and assessment practicum students at River Valley Detention Center and at Will County Mental Health Youth Services Program.

7/98- 11/05        Clinical Therapist  
                          Liberty Healthcare Corporation/IDHS/TDF  
                          401 Woodruff Road  
                          Joliet, IL 60432

Work Experience: As Clinical Therapist at the Illinois Department of Human Services Treatment and Detention Facility (DHS/TDF), I co-facilitated treatment groups for persons detained and committed as potentially sexually violent persons. Groups co-facilitated include sex offense specific treatment groups (Relapse Prevention, Cognitive Restructuring and Journaling), and sex offense related treatment groups (Trauma Issues Group, Emotional Awareness Group, Stress Management Group, Anger Management groups, and Orientation and Denial Groups). I also conducted Penile Plethysmograph evaluations. I provided expert witness testimony in court regarding treatment issues of SVPs.

9/02 - 7/03        Assessment Practicum Student  
                          Youth Services Program  
                          407 W. Jefferson Street  
                          Joliet, IL 60443

Work Experience: As practicum student in the Adler School of Professional Psychology Clinical Psychology doctoral program, I evaluated mental, emotional and social functioning of adults, adolescents and children of both genders. I administered and interpreted psychological instruments, and wrote comprehensive psychological evaluations for the Youth Services Program and Forensic Division of the Will County Mental Health Department.

9/01 – 6/02        Therapy Practicum Student  
                          Will County Mental Health  
                          501 Ella Street  
                          Joliet, IL 60443

Work Experience: As practicum student in the Adler School of Professional Psychology Clinical Psychology doctoral program, I provided group therapy to adult and adolescent sex offenders, wrote intake evaluations of adult sex offenders, administered, interpreted and presented the Abel Screen for Sexual Interest to adult sex offenders. I also provided individual therapy to a client adjudicated Not Guilty by Reason of Insanity. At the Youth Services Program, I counseled adolescent males referred by probation for counseling needs stemming from convictions for a variety of non-sexual offenses.

4/97 – 6/98                      Evaluator and Counselor  
Forensic Assessments  
2004 N. 12<sup>th</sup> Street, Suite 9  
Grand Junction, CO 81501

Work Experience: Owner/Director of Forensic Assessments. In consultation with a licensed clinical psychologist, we performed custody and foster parent evaluations. I counseled individuals in my office and counseled incarcerated youth. I provided expert witness testimony in parent-child interactions and custody evaluations.

10/93 – 6/98                      Counseling Intern and Counselor  
PsycHealth Associates  
2004 N. 12<sup>th</sup> Street, Suite 47  
Grand Junction, Co 81501

Work Experience: As intern counselor, I co-facilitated treatment groups for males convicted of sexual offenses with the program director from October 1993 until July 1994. I individually facilitated groups beginning July 1994. With a co-therapist, I created and ran groups for families of sex offenders. We also developed and co-facilitated groups for males convicted of sexual offenses who were survivors of sexual abuse. I facilitated groups for males who were convicted of sexual offenses exhibiting significant denial. I also counseled individuals and groups for anger management issues and I counseled male juveniles incarcerated with the Colorado Department of Youth Corrections. I provided expert witness testimony in sex offender treatment issues. I conducted portions of comprehensive sex offender evaluations.

7/94 – 6/98                      Clinical Behavioral Specialist, Psychology Dept.  
Grand Junction Regional Center  
2800 D Road  
Grand Junction, CO 81501

Work Experience: As Clinical Behavioral Specialist, I conducted functional analyses, wrote psychology programs, trained Regional Center staff, and counseled groups and individual clients. I facilitated an Anger Management Group for developmentally disabled sex offenders.

7/92 - 7/94                      Qualified Mental Retardation Professional (QMRP)  
Grand Junction Regional Center  
2800 D Road  
Grand Junction, CO 81501

Work Experience: As QMRP, I coordinated efforts of teams of professional therapists and wrote habilitation plans for individuals with severe disabilities. I implemented and monitored plans. I supervised five direct line supervisors, who supervised twenty direct contact staff on residential units.

2/89 - 6/92            Community Behavioral Specialist  
Grand Junction Regional Center  
2800 D Road  
Grand Junction, CO 81501

Work Experience: As Community Behavioral Specialist, I was one of three in Colorado who consulted with agencies, families, and individuals about providing effective services to children and adults with intellectual disabilities. I consulted about severely challenging behaviors, trained staff and family members, and coordinated efforts with other consultants to meet agencies' and individuals' needs. I consulted as a Team with a Physician and Psychiatrist in Behavioral Pharmacology Clinics. I participated in a national project for The Research and Training Center for Community-Referenced Non-Aversive Behavior Management. As part of the project, I was one of five state trainers on the Colorado Community-Referenced Behavioral Support Project.

1/87 - 7/88            Associate Teaching Manager/Vocational Trainer  
Alaska Specialized Education and Training Services (ASETS)  
2330 Nichols Drive  
Anchorage, AK 99507

Work Experience: As Vocational Trainer, I provided habilitation training and case supervision for adults with intellectual disabilities, mental illness, and behavioral problems. I wrote and implemented Individual Habilitation Plans (IHP). As Associate Teaching Manager, I provided behavioral, social skills, physical conditioning, and life skills training to a dually-diagnosed adolescent female characterized as one of the most difficult-to-serve clients in Alaska in a residential setting through the Alaska Youth Initiative program. I helped license and prepare the home for program use. I worked full-time while completing two internships and finishing courses in a Master's program.

1/87 - 5/87            Intern/Counselor  
SouthCentral Counseling Center  
4020 Folker Street  
Anchorage, AK 99508

Work Experience: As counseling intern, I provided case management and counseling for couples, adolescents, and individual adults who were clients of the center. As case manager for clients, I provided diagnoses using DSM-III, and made referrals for drug/alcohol treatment when appropriate. I performed testing duties including administering WAIS and MMPI exams.

9/86 - 5/87            Intern/Counselor  
Counseling and Growth Center, UAA  
3211 Providence Drive  
Anchorage, AK 99507

Work Experience: As counseling intern, I provided case management and counseling for couples, families, adolescents, students, and individual adults who were clients of this University – based counseling center. I conducted intake sessions, developed, and implemented treatment plans, made appropriate referrals, and presented staffings on individual cases.

9/85 - 5/86            Teaching Assistant  
9/86 - 12/86          Psychology Department, University of Alaska, Anchorage  
3211 Providence Drive  
Anchorage, AK 99508

Work Experience: As Teaching Assistant for Psychology 111 classes, I constructed tests, administered exams, assisted students with class projects, and graded exams for classes numbering approximately 80 and 180 students. I planned and delivered lectures occasionally. I tutored students encountering difficulties with course material. I counseled students regarding life transition issues and study habits.

6/85 - 9/85            Counselor/Activities Director  
Salvation Army Booth Memorial Home  
3600 East 20th Avenue  
Anchorage, AK 99508

Work Experience: As Counselor II, I provided care, supervision, and counseling to emotionally and behaviorally disturbed adolescent females in a locked residential setting. I taught social skills, life skills, and increased self-awareness in clients. I provided crisis intervention and acted as primary counselor for assigned clients. I planned and facilitated treatment and educational groups. As Activities Director, I planned, organized, budgeted, and monitored recreational and social activities.

9/82 - 5/83            Peer Tutor/Counselor  
Tutorial Services, Clark Howell Hall  
University of Georgia, Athens, GA

Work Experience: As peer tutor/counselor for University of Georgia, I tutored college Algebra, Developmental Studies Math, Elementary Spanish, and Psychology. I counseled students in study skills, motivational problems, life transition issues, and interpersonal difficulties.

MILITARY: United States Navy from September 1974 through September 1980. Honorably Discharged. Certified as a nuclear power plant operator in May 1976.

PUBLICATION: *The Relationship between Empathy and Sexual Arousal in Civilly-Committed Sex Offenders*, doctoral dissertation defended and submitted for publication in July 2008.
