

Montmartre Arena Sponsorship Program

Dear Community Partner:

The Montmartre Arena Association is a nonprofit organization. We operate as a volunteer run facility. The arena has recently upgraded the dressing rooms, bathrooms, lobby and kitchen. The arena is a busy place during the winter months where we have a Skating Program, Minor Hockey Teams, Adult Recreation Hockey, Public Skating and just a great place to go and have some family fun!

We would like to offer local businesses the opportunity to participate in our new banner sponsorship program. The arena board members are working on upgrading all the sponsor boards and hopefully adding many more. Our arena will offer your business advertising for the months of November, December, January, February and into March. This program will help keep the arena running and help with the cost of any upgrades needed.

The arena has partnered up with and will only be accepting signs printed by Kevin Englot at Englot Auto Trim & Signs in White City to help us with this project. All the signs will be 4'x 8' and will be made out of Composite Board. The cost to have a sign printed will be \$400 plus tax. If you need any artwork or a new sign/logo design there will be an extra cost for that and Englot Auto Trim will be able to do that for you!

First Year Advertising - is on us, we are thankful to anyone who would like to put up a new sponsorship board in our arena for the 2020-2021 season. Sign must be printed by December 1st to give us time to hang it before the season starts!

Please contact us today so we can start the printing of your sign and get it hung up in the arena or with any questions regarding the registration form.
