March 2026

Set Sail on an Unforgettable Southern Caribbean Adventure!

Imagine waking up to the warm Caribbean breeze and stepping onto the deck of Royal Caribbean's Jewel of the Seas, your home for an incredible 7-night voyage departing March 2026. This Southern Caribbean cruise begins with a pre-cruise night in vibrant San Juan, Puerto Rico, where you can stroll historic cobblestone streets, savor world-class cuisine, and relax on sun-kissed beaches before embarking on your sea-faring journey.

Over the course of your cruise, you'll visit a string of spectacular island destinations, each with its own unique charm. From the colorful port of Charlotte Amalie in St. Thomas — a paradise of turquoise waters and duty-free shopping — to Philipsburg in St.

Maarten, where French and Dutch cultures blend in a delightful mix of cuisine and scenery, every day brings new discoveries. You'll also explore St. Croix in the U.S. Virgin Islands, known for its pristine beaches and historic towns, enjoy the lush natural beauty of Roseau, Dominica's tropical rainforests and waterfalls, and unwind in Bridgetown, Barbados, where sugar-white sands and rum shops beckon.

Throughout the cruise, Jewel of the Seas provides an exceptional onboard experience with comfortable accommodations, diverse dining, exciting entertainment, and beautiful ocean views at every turn. Whether you're exploring bustling ports, relaxing poolside, or watching the sunset from the deck, this Caribbean getaway promises memories that will last a lifetime.
