Thalassemia and cervical cancer screenings were conducted at Mograz village, PHC Ambivali, and Ashram Shala. Heartfelt gratitude to Ms. Rekha Sankhla, President of the Rotary club of Navi Mumbai, Flamingo City, and applause for our social intern from NMIMS, Mr. Akash Tiwari, who has set a remarkable standard for all future interns!

We extend our gratitude to Kitty with Purpose Group for their generous support towards the honorarium to support the teacher at Malegaon ZP School. Additionally, our heartfelt thanks go to Mr. Sanjay Magade, Principal of Ashram Shala School, who goes above and beyond his duties. He believes in guiding his mainly Adivasi students to break free from perceived limitations, encouraging them to think differently and strive for equality.
