Connecting Hearts: Dilip Bhagat Sir and Digital Learning

We extend our heartfelt gratitude to Dilip Bhagat Sir, who passionately teaches the children he loves. With the support of a generous donor, we were able to provide him with the WiFi connection he needed to introduce digital technology into his teaching. Dilip Sir's commitment ensures that no child is left behind in this digital era

Path of Bliss Foundation: A beacon of generosity

They have played a pivotal role in transforming education by donating essential laboratory equipment to our school, fostering a brighter future for aspiring minds

Celebrating with Kind Hearts: Food Distribution on Special Occasions

Thanks to the generosity of our kind donors, we distributed food to children on various personal occasions, fostering a sense of celebration and joy in their lives while creating opportunities for livelihood for the villagers. On the occasion of Ashtami, we distributed simple food to the children, These occasions not only feed their bodies but also nourish their aspirations.

Heartfelt Thanks to Trust Cayana

A resounding applause goes to Trust Cayana for their belief in us and their donation of lovely materials. Their support plays a crucial role in our mission to create positive change.

Our initiative to create cloth bags has taken off, thanks to the dedication of our master trainer. We urge your support in marketing our products to help us pay our artisans better. Our two young trainers are making a significant impact, training Ashram Shala school girls in Mograz village. We believe in the "Train the Trainer" model, ensuring sustainable knowledge transfer

**Would like to extend our support for the contribution by Lions club of Thane East kopri,
Lions club of Thane galaxy, Lok Udaan & Lions Club of Millennium charity trust**
