Bill Smith Jewelry Collection & Ephemera Catalog
Part 2

This catalog serves as a menu for our traveling exhibit of our Bill Smith jewelry collection. Borrowers may select as many or as few pieces as they like to complete their exhibit.

Magazines, books, and photos are listed on the last page. We can also supply other visuals such as high resolution scans of advertisements and magazine photos to be used with proper credit to source.

You may contact our curator, JoAnne Spiller, at her website, <https://www.joannespiller.com> to make arrangements for the loan of items and to view her personal catalog. She works on contract with the museum for this project. JoAnne has pieces that complete collections in this catalog and can also be viewed at her website, [joannespiller.com](https://www.joannespiller.com).
