

## Warden's Decision On Appeal

Institution:	RICI	RIB Case Number:	RICI-22-001784
Inmate Name:	WOOD, FRANK P	Number:	A504107

On March 16, 2022, the Rules Infraction Board determined that the above named inmate  
 had violated the following rule(s) 19

☒ Inmate *Appealed* this decision and appeal was received in this office on 04 / 12 / 2022

I have reviewed the matters raised in the inmate's appeal, the record generated in the Rules Infraction Board proceeding, and the disposition of the Rules Infraction Board. I have determined that the board's decision should be:

☒ Affirmed

Modified

Returned

Reversed

After a review of the appeal: No prejudicial or procedural errors were noted. There was sufficient evidence presented to support the verdict. The charging officer is believed that fighting, instigation, and/or perpetration occurred. There was substantial compliance with disciplinary procedures. The penalty imposed is authorized and commensurate with the offenses cited. The decision of RIB is AFFIRMED.
