My Fellow Americans:

Greetings of peace and prosperity to you and yours.

Understanding that time is our most priceless and personal asset, I respectfully take this moment to introduce myself. I am Mr. Frank P. Wood, **The Innocent Man**, whose wrongful imprisonment is being perpetually paid for with your tax dollars. As your host, live, from behind the razor wire, I welcome you to www.freefrankpwood.com: A righteous movement.

The main content of this site is a book that I have also written as a Federalized Affidavit to the best of my *pro se* and nonprofessional abilities. True, for I am neither an attorney, doctor, psychologist nor private investigator. What more, I am far from being an accomplished author or editor. Yet circumstances, that truly *shock the human conscience*, dictated the demand that I fulfill the requirements of each office to make my point perfectly clear. I can only pray that I have achieved this goal.

The affidavit/book, appropriately titled **A Blueprint for Wrongful Imprisonment**, is 877 pages in length with 86 Exhibit(s), save one (1) comprising 329 of those pages. Better than 80% of it is typed double-spaced for easy reading and legalities.

Caveat: Content is not for the faint at heart!

If you are reading this on my web site, the affidavit/book can be downloaded from my *Google Cloud Account* in the form of nine (9) consecutive files via available hyperlinks.

The affidavit/book is also the direct result of a decade-plus of suffering unjustly the effects of penury and poverty, and consistently being denied requested legal relief in the Trial Court and the Appellate Court(s). These denials were based on lies, half-truths (the perfect form of deception), withheld evidence, hypocrisy, *inter alia*. I have given the State of Ohio *every* opportunity to correct this **Manifest Miscarriage of Justice**. Having been ignored and denied a noble adjudication for the last time, I have elected to do something that I should have done a long time ago: Go public.

As to the purpose of going public, *it is my direct intention* to educate Americans regarding how our Justice System functions in its dysfunctional fashion, and to expose those who used this corrupt system to do this to me, and laid this **Fraudulent Shame** upon my Family. In sync, I have been left with no other option than to expose those who perpetuate this **Insolent Injustice** without scruple. Through recantation and/or litigation, all of these people have the power to

dismantle the **Malevolent Machination** that they built with the tools of jealousy, avarice, vanity and fear. Yes, they could have done this without damage to their families' reputations and looked like heroes. Possessing neither the honor nor integrity to right their wrong, they made the decision to act for me.

I am just the messenger.

It is a non-optional social convention to free the innocent. To the contrary, they deliberately and willfully failed to act righteously because they believe that the motives and family secrets behind what they had done would remain hidden forever; left alone and unexposed. All of this could have been avoided. But I am still serving an undeserved **LIFE-SENTENCE** for a rape that never happened in a place I have never been and a gross sexual imposition charge that the Trial Court declared, "What I'm hearing her say is, "No it didn't happen." Forced to act, I am no longer their **Scapegoat** by matter of convenience and logical choice. Hence, I have elected to expose their family secrets for them.

Skeletons in the closet.

As to those who hold elected positions of public trust and perpetuate this tort, they leave me here thinking '*No one will ever know.*' This is despite the fact that I have presented State's Best and Direct Evidence proving

- Motive
- Fraud
- RICO
- Conspiracy
- Court-acknowledged and State-utilized perjury
- Implanted/Transplanted Memories
- Witness Tampering
- Jury Tampering
- Records Tampering
- My factual innocence
- Who the **TWO (2) PERPS** are that currently **RUN FREE**
- Lack of Subject Matter Jurisdiction
- A materially altered and incomplete Trial Record

- I am **PSYCHOLOGICALLY PROHIBITED** from committing such ignorant and heinous acts
- A Court-declared "cynical" Jury
- And more!

to multiple Reviewing Courts. Still, they elect to protect their own and silently proffer the lie that '*The Justice System is always right.*' No! It is not! On that point, I *am* perfectly clear.

With that said, I am wrongfully imprisoned in direct violation of my *Human & Constitutional Rights*. What more, I have been pushed down by the overbearing weight of a giant and powerful Government Machine, with all of its political influence and financial power, that runs rampant and without constraint. Nearly crushed into oblivion, there is still breath in my body, and that means I still have fight left in me. With the proven power of the *Undying Human Spirit*, I choose to proceed in this highly motivated and undaunted manner.

Reader, thank you for taking the time to peruse my first of a four (4) book series on this subject matter. Please know that I invite your ideas, insights and questions as you communicate with members of my **Exoneration Team** via **Free Frank P. Wood** at *Facebook*. You are also free to write me at the address below, or locate and email me at *Jpay.com* with this same information. Yes, to some extent, and to the surprise of many, prisons have modernized.

Lastly, be sure to follow future postings on *Facebook* that will keep you updated on court filings, hearing dates, and future publications in my *Google Cloud Account*. Although the Legal Process is long and draw out, we shall do our best to keep you apprised.

In closing, know that, until this **Insolent Injustice** is set right, and the *scales return to zero*, I shall remain

Unbroken.
